

Bernardsville Recreation Winter 2010 Enrichment Programs

You may register on line at:

<https://register.communitypass.net/Bernardsville>, or by coming to the Recreation office at 166 Mine Brook Road, Bernardsville, between the hours of 8:30 a.m. – 4:30 p.m. No registrations will be accepted at the school. If you have any questions, please call the Rec office at: 908-766-2546.

Written permission must be given to the school to have your child released from class on the program days. If you do not provide this letter, the school will send your child home on the bus/walk. Please pick up your child promptly at 4:45 p.m. from the assigned classroom/gym.

Please notify the Recreation Department at 908-766-2546 if you know IN ADVANCE that your child will be absent from the program on a particular day.

Refunds must be in writing to the Recreation Office 7 business days prior to the start of the program. A refund can not be given if the program has started. All refunds are subject to a \$10.00 processing fee.

Junior Engineering Plus (Computers Explorers)

Students will explore the basics of engineering by building all new simple machines with Lego© blocks. Cranes, pulleys and lots of gears will help us solve problems and learn. A building "Olympics" will pull it all together. This is not a repeat but we will re-explore the basic engineering concepts. Meet in Bedwell School Café, Room TBA. Minimum 12 students.

System 3 (Mad Science)

Eliminate the mystery in chemistry! Explore one of the most exciting and fundamental sciences as you grow a crazy crystal garden and make your own "chemical" soda pop! Join Bernoulli and Newton as we take a look at the science behind the properties of air. Use a vortex generator to create air pockets with a punch, and levitate ping-pong balls in a defiance of gravity. Magic? No it's science! Learn the secrets behind famous magic that you can recreate for yourself. Mother Nature has some tricks of her own, and we'd like to show you what's up her sleeve! Build a "football" glider, a Delta Dart and your very own loop-flying stunt plane. Discover the strengths of triangles, cylinders and arches. Learn how combinations of these shapes make for sturdy homes and skyscrapers! Use teamwork to build your own super structures as well as an earthquake-proof building. Minimum 10 students.

Tae Kwon Do (Power Training Center), Thursday, Grades K-4, 3:45-4:45 pm, Bedwell Cafe

Our Tae Kwon Do classes help our students feel re-energized and have a "can do it" approach for their lives. These classes will affect your child in a positive way, and lead to benefits that they will carry with them for the rest of their lives. Our masters motivate and challenge our students to do their best while striving towards their next goal. As a result, they learn focus, discipline, respect and they grow in confidence. Masters and instructors are from the Power Training Center, Kwon's Tae Kwon Do in Bernardsville.

[Bernardsville Skating Rink](#)

We would love to see everyone skating on the Seney Drive skating rink. However, in order to make a safe and enjoyable skating season, we need two consecutive weeks of temperatures below 32 to make this happen. We monitor the situation daily. Thank you for your patience.
