

Borough of Bernardsville

Press Release – January 27, 2009

The Mayor and Council of the Borough of Bernardsville have authorized the suspension of the Borough's Spring Curbside Garbage Pickup for 2009. Economic conditions and budget constraints have led to this year's suspension by the governing body. Residents are encouraged to contact their private waste hauler to arrange for the disposal for this year's bulk waste. The council apologizes for any inconvenience this action may cause, however, the overall economic climate has dictated that difficult decisions like this must be made.
