INDEMNIFICATION, INSURANCE, AND ALLOCATION OF RESPONSIBILITY

The Contractor shall maintain adequate insurance to indemnify, hold and save harmless the Borough of Bernardsville, its officers, agents, representatives, servants and employees from and against all suits, damages, claims, demands and actions for any injury to any person or persons, including injury causing death, and for any injury, damage, and/or destruction of property sustained, or alleged to have been sustained, by any party or parties, corporation or corporations, in, about and in connection with the work or any part thereof, or by or on account of any act of commission or omission of said Contractor, his employees, servants or agents and/or by reason of, arising out of, in connection with this contract or the Contract Documents, or the failure or neglect to keep, observe or perform any of their terms, covenants, agreements, provisions or conditions, the aforesaid being in addition to any other right or remedy which the Borough may

have against the Contractor in law or equity or otherwise.

This provision shall be construed to create the maximum indemnification obligation permitted by law. At any time that the Owner determines that the insurance coverage provided by Contractor is not sufficient to provide such protection and indemnification to the Owner, the owner may withhold from any payment due or thereafter coming due to the Contractor under this Contract an amount sufficient, in the Owner's discretion, to provide such protection and indemnification.

The Contractor shall, at no additional cost to Owner, maintain the following insurance coverage at all times during the work:

- a) Comprehensive General Liability (CGL) insurance, in a single limit for bodily injury and property damage of at least \$500,000 per occurrence/\$500,000 aggregate for the primary policy, and at least \$1,000,000/\$1,000,000 in total coverage including umbrella coverage. CGL coverage shall include at least the following coverages: contractor's protective, completed operation, and contractual liability (including coverage of the indemnification obligation in the preceding paragraph), and the Broad Form Property Damage Liability Endorsement. It shall also include coverage for explosion, collapse, and underground hazards (XCU) unless the Owner deleted such requirement prior to bidding. All liability coverage shall be on an occurrence basis.
- b) Comprehensive Automobile Liability Insurance covering the Contractor for claims arising from all owned, hired, and non-owned vehicles, with a combined single limit for both Bodily Injury and Property Damage of at least \$500,000 per occurrence/\$500,000 aggregate for the primary policy and total coverage of at least \$1,000,000/\$1,000,000 including umbrella coverage. Automobile liability coverage shall be on an occurrence basis.
- c) Worker's Compensation insurance in the amounts required by law.
- d) All policies shall include extended coverage, and shall name the following as additional named insureds: the Borough of Bernardsville, its officers, agents, representatives, agents, servants, and employees as their interest may appear.
- e) Such other coverages or higher limits, as may be specified elsewhere in the Contract Documents. In case of any apparent conflict between the paragraphs above and insurance requirements elsewhere in the Contract Documents, the more stringent requirement will control.

BEFORE BEGINNING ANY WORK ON THE PROJECT, the Contractor shall furnish to the Owner certificates of insurance showing all required insurance coverages in the limits as described in the Contract Documents and in a form satisfactory to the Owner. Any certificate of insurance shall state that the insurance company will notify the Owner ten days in advance of any cancellation becoming effective.
