PERSONNEL POLICIES AND PROCEDURES

1. GENERAL PROVISIONS; POLICIES, APPOINTMENT AUTHORITY.

1.1 General Personnel Policy.

It is the policy of the Borough to treat employees and prospective employees in a manner consistent with all applicable employment laws and regulations. As a general principle, the Borough has a "no tolerance" policy towards workplace wrongdoing. Borough officials, employees, volunteers, and independent contractors are to report anything they perceive to be improper. The Borough believes strongly in an open door policy and encourages employees and volunteers to talk with their supervisor, their Department Head, the Borough Administrator, the Borough Clerk, or the Assistant Administrator concerning any problem.¹ Borough officials and independent contractors should direct questions or concerns to the Business Administrator, the Borough Clerk, or the Assistant Administrator.

1.2 Implementation and Enforcement of Personnel Policies.

The Borough Administrator and all managerial/supervisory personnel are authorized and responsible for personnel policies and procedures. The Borough Council has assigned the Borough Clerk and the Assistant Administrator to assist the Borough Administrator in implementing personnel practices. The Borough Administrator, Assistant Administrator, and the Borough Clerk shall also have access to the Employment Attorney appointed by the Borough Council for guidance in personnel matters.

1.3 Purpose.

These policies are enacted by the Borough in order to further the following goals:

- A. To provide a uniform system of personnel administration throughout the Borough.
- B. To ensure that recruitment, selection, placement, promotion, retention and separation of Borough employees is based upon employees' qualifications and fitness, and are in compliance with federal and State laws.
- C. To assist managers in the development of sound management practices and procedures, and to make effective, consistent use of human resources throughout the Borough.
- D. To promote communication between management, supervisors and employees.
- E. To ensure, protect and clarify the rights and responsibilities of employees.

¹ To the extent appropriate, the policies contained in this Handbook shall be applicable to Borough officials, volunteers, and/or independent contractors of the Borough.

In the event of the amendment of any ordinance, rule or law incorporated in this Handbook or upon which these provisions rely, this Handbook shall be deemed amended in conformance with those changes.

1.4 Appointment Authority.

All Borough employees shall be appointed by the Mayor and Council based upon recommendations of the Borough Administrator, Department Head and appropriate Council Committee. Department Heads hired by autonomous agencies will also be recommended by the appropriate Council Committee and Administrator, except as otherwise provided herein or as provided by general law.

No person shall be employed or promoted unless there exists a position created by an ordinance adopted by the Borough Council as well as the necessary budget appropriation and salary ordinance.

1.5 Scope of Chapter.

The Borough's personnel policies, as set forth in this Handbook, shall apply to all Borough employees, officials, volunteers, and independent contractors. In the event of conflict between this Handbook and any collective bargaining agreement, individual employment contract, Borough ordinance, or State or federal law, the terms and conditions of that contract or law shall prevail. Employees of the Police Department are subject to Police Department Rules and Regulations and Standard Operating Procedures ("SOP's") and directives issued by the Police Chief, the Attorney General, the Governor and the Somerset County Prosecutor, all of which shall supersede these policies and procedures for sworn officers and civilian employees of the Police Department. - C. Employees are entitled to carry over up to (5) days of paid sick leave from one year to the next. Employees will not be paid for sick leave upon separation of employment.
- D. Accrued paid sick leave may be utilized to take time off for:
- time needed for diagnosis, care, or treatment of, or recovery from, an employee's mental or physical illness, injury or other adverse health condition, or for preventive medical care for the employee;
 - time needed for the employee to aid or care for a family member of the employee during diagnosis, care, or treatment of, or recovery from, the family member's mental or physical illness, injury or other adverse health condition, or during preventive medical care for the family member;
 - absence necessary due to circumstances resulting from the employee, or a family member of the employee, being a victim of domestic or sexual violence, if the leave is to allow the employee to obtain for the employee or the family member: medical attention needed to recover from physical or psychological injury or disability caused by domestic or sexual violence; services from a designated domestic violence agency or other victim services organization; psychological or other counseling; relocation; or legal services, including obtaining a restraining order or preparing for, or participating in, any civil or criminal legal proceeding related to the domestic or sexual violence;
 - time during which the employee is not able to work because of a closure of the employee's workplace, or the school or place of care of a child of the employee, by order of a public official due to an epidemic or other public health emergency, or because of the issuance by a public health authority of a determination that the presence in the community of the employee, or a member of the employee's family in need of care by the employee, would jeopardize the health of others; or
 - time needed by the employee in connection with a child of the employee to attend a school-related conference, meeting, function or other event requested or required by a school administrator, teacher, or other professional staff member responsible for the child's education, or to attend a meeting regarding care provided to the child in connection with the child's health conditions or disability.

- E. If use of paid sick leave is foreseeable, the employee must notify his or her immediate supervisor of the need to utilize paid sick time seven (7) days in advance, or if such notice is not possible, as soon as practicable. Employees should make reasonable efforts to schedule foreseeable paid sick leave so as not to disrupt Borough operations. If use of paid sick time is not foreseeable, it shall be the responsibility of the employee to notify his or her supervisor of the absence as soon as reasonably practicable.
- F. A certificate from a physician designated by the Borough, or the employee's own health care provider, may be required as proof of the need for sick leave whenever such requirement appears reasonable and warranted under the circumstances. An employee who is absent on sick leave for five (5) or more consecutive working days shall be required to submit acceptable medical evidence substantiating the illness. An employee who has been absent on sick leave for a period totaling eight (8) or more days in one (1) calendar year shall be required to submit acceptable medical evidence for any additional sick leave in that year. Abuse of sick leave may subject an employee to disciplinary action, up to and including termination.

7.6 Family Leave.

A leave of absence may be granted in accordance with the provisions and requirements of the Family and Medical Leave Act ("FMLA") (29 U.S.C. § 2601, *et seq.*); New Jersey Family Leave Act ("NJFLA") (N.J.S.A. 34:11 B-1, *et seq.*); and/or New Jersey Security and Financial Empowerment Act ("NJSAFE") (N.J.S.A. 34:11C-2, *et seq.*).

I. THE FAMILY AND MEDICAL LEAVE ACT OF 1993

The Family and Medical Leave Act ("FMLA") entitles eligible employees to take up to twelve (12) weeks of job-protected leave in a twelve (12) month period for specified family and medical reasons.² The law contains provisions on employer coverage; employee eligibility for the law's benefits; entitlement to leave, maintenance of health benefits during leave, and job restoration after leave; notice and certification of the need for FMLA leave; and, protection for employees who request or take FMLA leave.

1. EMPLOYEE ELIGIBILITY

To be eligible for FMLA benefits, an employee must:

- a) have worked for the Borough for a total of twelve (12) months; and
- b) have worked at least 1,250 hours (including overtime) over the previous twelve (12) months (subject to special rules applicable to returning reservists pursuant to the Uniformed Services Employment and Reemployment Rights Act); and

² An eligible employee may utilize up to twenty-six (26) weeks of FMLA leave for care of a covered servicemember with a serious injury or illness.

- c) work at a site where the employer employs 50 or more employees within a 75 mile radius of the site.

The Borough Administrator will determine if the employee meets the eligibility requirements.

2. LEAVE ENTITLEMENT

An eligible employee may take up to a total of twelve (12) work-weeks of FMLA leave during a twelve (12) month period for one or more of the following reasons:

- Incapacity due to pregnancy, prenatal medical care, or child birth;
- To care for the employee’s child after birth, or placement with the employee of a child for adoption or foster care;
- To care for an immediate family member (spouse, child, or parent) with a serious health condition;
- To take medical leave when the employee is unable to work because of a serious health condition;
- In order to address certain qualifying exigencies while the employee’s spouse, son, daughter, or parent is on (or has been notified of) covered active duty or call to covered active duty status (including, but not necessarily limited to addressing issues arising from short-notice deployment, attending certain military events, arranging for alternative child care or school, addressing certain financial and legal arrangements, attending certain counseling sessions, attending post-deployment briefings, arranging for parental care, to spend time with a military member on rest and recuperation leave (up to 15 days), etc.); or
- To care for a covered service member with a serious illness or injury (up to 26 weeks during a single 12-month period).³

The Borough will calculate the twelve (12) month FMLA “leave year” as the twelve (12) month period forward of the date *FMLA* leave is first taken.⁴

³ A “covered servicemember” is a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness or a covered veteran who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness. A “covered veteran” is an individual who was a member of the Armed Forces (including a member of the National Guard or Reserves), and was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran. For an individual who was a member of the Armed Forces (including the National Guard or Reserves) and who was discharged or released under conditions other than dishonorable prior to March 8, 2013, the period between October 28, 2009 and March 8, 2013 shall not count towards the determination of the five-year period for covered veteran status.

⁴ In the case of leave to care for a covered service member (including covered veteran), the twenty-six (26) week period will be calculated forward of the first such leave taken. The definition of “serious injury or illness” is different than the definition of “serious health condition.” Refer any questions to the Borough Clerk or the Assistant Administrator.

When an employee takes leave for a reason covered by the New Jersey Family Leave Act (“FLA”) and the FMLA, the leave shall be simultaneously counted against an employee’s entitlement under both statutes to the extent permitted by law.

Spouses employed by the Borough are jointly entitled to a combined total of 12 work-weeks of family leave for the birth and care of the newborn child, for placement of a child for adoption or foster care, and to care for a parent who has a serious health condition.⁵

Leave for birth and care or placement for adoption or foster care must conclude within twelve (12) months of a birth or placement.

3. INTERMITTENT AND REDUCED SCHEDULE LEAVE

Under some circumstances, employees may take FMLA leave intermittently, which means taking leave in separate blocks of time due to a single qualifying reason, or on a reduced schedule leave, which means reducing their normal weekly or daily work schedule.

- If FMLA leave is for birth and care or placement for adoption or foster care, use of intermittent or reduced schedule leave is subject to the Borough’s approval.
- FMLA leave may be taken intermittently or on a reduced schedule whenever medically necessary to care for a seriously ill family member or covered service member, for a qualifying exigency relative to deployment of a spouse, son, daughter, or parent, or because the employee is seriously ill and unable to work.
- When FMLA leave is taken intermittently or on a reduced leave schedule for foreseeable planned medical treatment or if the Borough permits for birth or placement of a child, the Borough may assign an employee to an alternative position with equivalent pay and benefits that better accommodates the employee’s intermittent or reduced leave schedule. Once the reduced schedule or intermittent leave is no longer necessary, the employee will be returned to the same or equivalent job he/she held when the leave commenced.
- Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the Borough’s operations.

4. PAY WHILE ON LEAVE

FMLA leave will be unpaid unless the employee has applicable earned paid time off. In the event the employee has such applicable earned paid time off, the employee will be required to first use any such earned sick and/or disability leave, and may thereafter, at the employee’s election, use any other applicable earned paid time off, all of which time will be counted as FMLA leave. Once such applicable paid time off is exhausted, the remainder of the FMLA leave will be unpaid.

⁵ In the case of military caregiver leave, spouses employed by Borough are jointly entitled to a combined total of 26 weeks of such FMLA leave.

The Borough is responsible for designating an employee's use of paid leave as FMLA leave, based upon information from the employee.

5. HEALTH CONDITIONS

A "**serious health condition**" is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than three (3) consecutive calendar days combined with at least two (2) visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy,⁶ or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

"Health Care Provider" for purposes of the FMLA means:

- Doctors of medicine or osteopathy authorized to practice medicine or surgery by the state in which the doctors practice; or
- Podiatrists, dentists, clinical psychologists, optometrists and chiropractors (limited to manual manipulation of the spine to correct a subluxation as demonstrated by X-ray to exist) authorized to practice, and performing within the scope of their practice under state law; or
- Nurse practitioners, nurse-midwives, clinical social workers, and physician assistants authorized to practice, and performing within the scope of their practice, as defined under State law; or
- Christian Science practitioners listed with the First Church of Christ, Scientist in Boston, Massachusetts; or
- Any health care provider recognized by the Borough or the Borough's group health plan benefits manager.

6. MAINTENANCE OF HEALTH BENEFITS

During FMLA leave, the employee's health insurance coverage will be maintained under the same terms and conditions as if the employee had continued to work. Employees may be required to pay their share of health insurance premiums while on leave, where consistent with applicable collective bargaining agreements, state law, and/or health insurance plans in effect at the time of the leave. Employees who are required to contribute part of the cost of health insurance must make arrangements with the Borough for timely payment of premiums.

⁶ Prenatal care also qualifies as a "serious health condition" under the FMLA.

In some instances, the Borough may recover premiums it paid to maintain health coverage for an employee who fails to return to work from FMLA leave.

7. JOB RESTORATION

Generally, upon return from FMLA leave, the employee will be restored to his/her original job, or to an equivalent job with equivalent pay, benefits, and other terms and conditions of employment. If the Borough should experience a reduction in force or layoff, an employee who would have been affected by such a reduction in force or layoff had he/she not been on FMLA leave is not entitled to be returned to work following exhaustion or completion of FMLA leave, however, the employee retains all rights under any applicable lay off or recall system.

8. MAINTENANCE OF BENEFIT STATUS

An employee's use of FMLA leave will not result in the loss of any employment benefit that the employee earned or was entitled to before using FMLA leave and FMLA leave will not be considered in discipline related to tardiness and/or attendance.

9. KEY EMPLOYEES

Under specified and limited circumstances where restoration to employment will cause substantial and grievous economic injury to its operations, the Borough may refuse to reinstate certain highly-paid "key" employees after using FMLA leave during which health coverage was maintained. In order to do so, the Borough will:

- Notify the employee of his/her status as a "key" employee in response to the employee's notice of intent to take FMLA leave;
- Notify the employee as soon as the Borough decides that it will deny job restoration and explain the reasons for this decision;
- Offer the employee a reasonable opportunity to return to work from FMLA leave after giving this notice; and
- Make a final determination as to whether reinstatement will be denied at the end of the leave period if the employee then requests restoration and notify the employee in writing of that decision.

A "key" employee is a salaried "eligible" employee who is among the highest paid ten percent of employees.

10. NOTICE AND CERTIFICATION PROCEDURE

Employees seeking to use FMLA leave are required to provide thirty (30) days advance notice of the need to take FMLA leave when the need is foreseeable and such notice is practicable.

Employees must provide sufficient information for the Borough to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions,

the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the Borough if the requested leave is for a reason for which FMLA was previously taken or certified.

The Borough may also require employees to provide:

- Medical certification supporting the need for leave due to a serious health condition affecting the employee or an immediate family member; or
- Certification of Qualifying Exigency; or
- Second or third medical opinions (at the Borough's expense) and/or periodic recertification; or
- Periodic reports during FMLA leave regarding the employee's status and intent to return to work; and
- Medical certification of fitness for return to duty.

The Borough will notify employees requesting leave whether they are eligible for FMLA leave, and if they are not, the reasons for their ineligibility. If the employee is eligible, the notice will specify any additional information required. Where leave is being designated as FMLA leave, the employee will be so notified in writing.

11. NO RETALIATION

There shall be no retaliation against any employee for exercising his/her rights under the FMLA and/or for taking leave and no interference with FMLA rights. Any such concerns should be immediately reported to the Borough Clerk or the Assistant Administrator or to any manager or supervisor, who shall in turn immediately report same to the Business Administrator.

12. QUESTIONS

Any questions regarding this policy or FMLA leave should be directed to the Borough Clerk or the Assistant Administrator.

II. THE NEW JERSEY FAMILY LEAVE ACT

The New Jersey Family Leave Act ("FLA") entitles eligible employees to take up to twelve (12) weeks of job-protected leave in a twenty-four (24) month period for specified reasons. The law contains provisions on employer coverage; employee eligibility for the law's benefits; entitlement to leave; notice and certification of the need for FLA leave; and protection for employees who request or take FLA leave.

1. EMPLOYEE ELIGIBILITY

To be eligible for FLA benefits, an employee must:

- Have worked for the Borough for a total of twelve (12) months; and

- Have worked at least 1,000 hours (including overtime) over the previous twelve (12) months.

The Business Administrator will determine if the employee meets the eligibility requirements.

2. LEAVE ENTITLEMENT

An eligible employee may take up to a total of twelve (12) work-weeks of FLA leave during a twenty-four (24) month period for one or more of the following reasons:

- For the birth of a child of the employee; or
- For the placement with the employee of a child for adoption; or
- To care for the employee's family member (spouse, civil union partner, child, or parent) with a serious medical condition.

The Borough will calculate the twenty-four (24) month FLA "leave period" as the twenty-four (24) month period forward of the date *FLA* leave is first taken.

When an employee takes leave for a reason covered by the federal Family and Medical Leave Act ("FMLA"), the leave shall be simultaneously counted against an employee's entitlement under both statutes to the extent applicable and permitted by law. However, if an employee takes FMLA because of his or her own disability, including a disability related to pregnancy or childbirth, and a family member becomes seriously ill or a child is born or adopted while he or she is still on FMLA disability leave, the intervening birth, adoption, or serious family illness does not convert the FMLA leave to FLA leave. For as long as the employee continues to be eligible for FMLA leave based upon his or her own disability, the leave does not simultaneously count against the employee's FLA entitlement. After the employee is released by his or her healthcare provider, any remaining FMLA leave will run concurrently with the employee's FLA leave entitlement.

Leave for birth and care or placement for adoption of a child must be commenced within twelve (12) months of the birth or placement of that child.

3. INTERMITTENT LEAVE OR REDUCED LEAVE SCHEDULE

Under some circumstances, employees may take FLA leave intermittently – which means taking leave in blocks of time, or on a reduced leave schedule, by reducing their normal weekly work schedule.

- If FLA is for birth and care or placement for adoption, use of intermittent or reduced schedule leave is subject to Borough approval.
- FLA leave may be taken intermittently whenever medically necessary to care for a seriously ill family member. Such intermittent leave may not exceed twelve (12) months.

- FLA leave may be taken on a reduced leave schedule in increments of not less than one day and for a period not to exceed twenty-four (24) weeks.
- When FLA leave is taken intermittently or on a reduced leave schedule for foreseeable planned medical treatment or if the Borough permits for birth or placement of a child, the Borough may assign an employee to an alternative position with equivalent pay and benefits that better accommodates the employee's intermittent or reduced leave schedule. Once the reduced schedule or intermittent leave is no longer necessary, the employee will be returned to the same or equivalent job he/she held when the leave commenced.
- When requesting intermittent or reduced schedule leave, employees shall make reasonable efforts to schedule such leave so as not to unduly disrupt operations of the Borough.

4. PAY WHILE ON LEAVE

FLA leave will be unpaid unless the employee has applicable earned paid time off. In the event the employee has such available and applicable earned paid time off, the employee may elect to use such applicable earned paid time off, all of which time will be counted as FLA leave. Once such applicable paid time off is exhausted, the remainder of the FLA leave will be unpaid.

The Borough is responsible for designating an employee's use of paid leave as FLA leave, based upon information from the employee.

5. HEALTH CONDITIONS

“Serious health condition” for purposes of the FLA means an illness, injury, impairment or physical or mental condition that requires:

- Inpatient care in a hospital, hospice or residential medical-care facility; or
- Continuing medical treatment or continuing supervision by a health care provider.
- For FLA purposes, “continuing medical treatment or continuing supervision by a health care provider” means:
 1. A period of incapacity (that is inability to work, attend school or perform regular daily activities due to a serious health condition, treatment therefore and recovery there from) for more than three consecutive days, and any subsequent treatment or period of incapacity relating to the same condition that also involves:
 - i. Treatment two or more times by a health care provider; or
 - ii. Treatment by a health care provider on one occasion which results in a regimen of continuing treatment under the supervision of a health care provider;
 2. Any period of incapacity due to pregnancy, or for prenatal care;

3. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition;
4. Any period of incapacity, which is permanent or long term, due to a condition for which treatment may not be effective (such as Alzheimer's disease, a severe stroke or the terminal stages of a disease) where the individual is under continuing supervision of, but need not be receiving active treatment by, a health care provider; or
5. Any period of absence to receive multiple treatments (including any period of recovery there from) by a health care provider or by a provider of health care services under orders of, or on referral by, a health care provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity for more than three consecutive calendar days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy) or kidney disease (dialysis).

“Health Care Provider” for purposes of the FLA means any person licensed under Federal, State or local law, or the laws of a foreign nation, to provide health care services; or any other person who has been authorized to provide health care by a licensed health care provider.

6. MAINTENANCE OF HEALTH BENEFITS

During FLA leave, the employee's health insurance coverage will be maintained under the same terms and conditions as if the employee had continued to work. Employees may be required to pay their share of health insurance premiums while on leave, where consistent with applicable collective bargaining agreements, state law, and/or health insurance plans in effect at the time of the leave. Employees who are required to contribute part of the cost of health insurance must make arrangements with the Borough for timely payment of premiums.

7. JOB RESTORATION

Generally, upon return from FLA leave, the employee will be restored to his /her original job or to an equivalent job with like seniority, status, employment benefits, pay and conditions of employment.

If the Borough should experience a reduction in force or layoffs, an employee who would have been affected by such a reduction in force or layoff had he/she not been on FLA leave is not entitled to be returned to work following exhaustion or completion of FLA leave, however, the employee retains all rights under any applicable layoff or recall system.

The Borough may deny FLA leave to certain of its highest paid 5% of salaried employees to the extent such denial is necessary to prevent substantial and grievous economic injury

to the Borough, upon notice to such employee. If such leave has already commenced, such employee shall be given ten (10) working days to return to work.

8. NOTICE AND CERTIFICATION

When FLA leave is sought due to the birth or placement of a child for adoption, the employee must provide at least thirty (30) days' notice of the intention to take FLA leave when reasonably practicable. When FLA leave is sought due to a family member's serious illness, the employee must provide at least thirty (30) days' notice of the intention to take FLA leave, except where emergent circumstances warrant shorter notice.

An employee requesting FLA leave in order to care for the employee's seriously ill spouse, civil union partner, child, or parent may be required to provide a certification issued by a health care provider supporting the need for the requested FLA leave.

9. NO RETALIATION

There shall be no retaliation against any employee for exercising his/her rights under the FLA and/or for taking leave and no interference with FLA rights. Any such concerns should be immediately reported to the Borough Clerk or the Assistant Administrator or to any manager or supervisor, who shall in turn immediately report same to the Business Administrator.

10. QUESTIONS

Any questions regarding this policy or FLA leave should be directed to the Borough Clerk or the Assistant Administrator.

III. THE NEW JERSEY SECURITY AND FINANCIAL EMPOWERMENT ACT LEAVE

The New Jersey Security and Financial Empowerment Act ("NJSAFE") entitles eligible employees to take up to twenty (20) days of job-protected leave in a twelve (12) month period to address circumstances resulting from an incident of domestic violence or a sexually violent offense. (2) obtaining services from a victim services organization for the employee or the employee's child, parent, spouse, domestic partner, or civil union partner;

Once such applicable paid time off is exhausted, the remainder of the NJSAFE leave will be unpaid.

The Borough is responsible for designating an employee's use of paid leave as NJSAFE leave, based upon information from the employee.

5. MAINTENANCE OF HEALTH BENEFITS

During NJSAFE leave, the employee's health insurance coverage will be maintained under the same terms and conditions as if the employee had continued to work. Employees may be required to pay their share of health insurance premiums while on leave, where consistent with applicable collective bargaining agreements and/or health insurance plans in effect at the time of the leave. Employees who are required to contribute part of the cost of health insurance must make arrangements with the Borough for timely payment of premiums.

6. JOB RESTORATION

7. NOTICE AND CERTIFICATION

Prior to taking NJSAFE leave, the employee must notify the Borough *in writing* of the need for leave giving as much notice as reasonable and practical under the circumstances.

9.3 Ethical Standards and Conflicts of Interest.

Employees, including Borough officials, must conduct business according to the highest ethical standards of public service. Employees are expected to devote their best efforts to the interests of the Borough. Violations of this policy may subject the employee to disciplinary action, up to and including termination.

The Borough recognizes the right of employees to engage in outside activities that are private in nature and unrelated to Borough business. However, business dealings that appear to create a conflict between the employee and the Borough's interests are unlawful under the New Jersey Local Government Ethics Act ("the Act"). In addition, under the Act, certain employees and officials are required to annually file with the Borough Clerk a state mandated disclosure form. The Borough Clerk will notify employees and Borough officials subject to the filing requirements of the Act and provide them with the appropriate form.

A potential or actual conflict of interest occurs whenever an employee is in a position to influence a Borough decision that may result in a personal gain for the employee or an immediate relative including a spouse, civil union or domestic partner or significant other, child, parent, stepchild, sibling, grandparent, daughter-in-law, son-in-law, grandchild, niece, nephew, uncle, aunt, or any person related by blood or marriage residing in an employee's household. Employees are required to disclose possible conflicts so that the Borough may assess and prevent potential conflicts. If there are any questions whether an action or proposed course of conduct would create a conflict of interest, employees should immediately contact the Borough Administrator to obtain clarification.

Any employee who holds an interest in, or is employed by, any business doing business with the Borough must submit a written notice of these outside interests to the Borough Administrator.

9.4 Safety Policy.

The Borough will provide a safe and healthy work environment and shall comply with the Public Employees Occupational Safety and Health Act (“PEOSHA”). The Borough is equally concerned about the safety of the public. Consistent with this policy, employees will receive periodic safety training and will be provided with appropriate safety equipment. Employees are responsible for observing safety rules and using available safety devices including personal protective equipment. Failure to do so constitutes grounds for disciplinary action. Employees must immediately report any occupational or public unsafe condition, practice, procedure or act to their supervisor or Department Head.

The Borough has appointed a Safety Committee that meets on a regular basis to discuss and recommend solutions to safety problems. Employees are encouraged to discuss safety concerns with their Safety Committee Representative.

Employees of the Borough are required to use the assigned municipal email account for ALL Borough business and correspondence. The use of private email accounts for ANY Borough business or during business hours is strictly prohibited.

Employees are advised that if they conduct work-related business on their personal emails, cell phones, or other personal Communication Media, these communications are also subject to the provisions of OPRA. However, nothing in this Communications Media/Social Media Policy prevents any employee from using his or her own personal Communication Media during the employee's non-

Protected concerted activities include but are not limited to: situations where an employee addresses group concerns with the employer; forms, joins, or assists an employment or labor organization; initiates, induces, or prepares for group action against an employer; or speaks on behalf of or represents other employees.

Yet, employees are encouraged to resolve workplace grievances internally by discussing issues with their supervisor and/or the Borough, and are asked to refrain from posting comments or materials on Communication Media that can be viewed as malicious, obscene, threatening, intimidating; or that could create a hostile work environment on the basis of race, sex, disability, religion or any other status protected by law if the employee chooses to address their grievances using Communication Media.

Employee communications transmitted by the Borough’s Communication Media are not private to the individual. **All Communication Media and all communications and stored information transmitted, received, or contained in or through such media may be monitored by the Borough. The Borough reserves the absolute right to access, review, audit, and disclose all matters entered, sent over, placed in storage in the Borough’s Communication Media.** By using the Borough’s equipment and/or Communication Media, employees consent to have such use monitored at any time, with or without notice, by Borough personnel. No media advertisement, electronic bulletin board posting, or any other communication via the Internet about or on behalf of the Borough through the use of the Borough's Communications Media may be issued unless it has first been approved by the Borough's Administration. Specifically, employees are forbidden from using the Borough's Communication Media to impersonate the employer; to make statements on behalf of the employer without authorization; and/or to make statements that can be construed as establishing what the employer's official position or policy is on any issue.

c. Unauthorized Access

Employees are prohibited from the unauthorized use of the password(s) of other employees to gain access to another employee's messages in the e-mail, voicemail, Internet or computer network systems including but not limited to all secured access software that employees may have access to.

15. BOROUGH POLICY ON DRUG AND ALCOHOL ABUSE.

15.1 Policy.

- A. The Borough has a strong commitment to the health, safety and welfare of its employees, their families and the residents of the Borough. Drug and alcohol abuse by Borough employees could endanger the safety of the Borough's employees and the general public. The Borough's commitment to maintaining a safe and secure work place requires a clear policy and supportive programs relating to the detection, treatment and prevention of substance abuse by employees.
- B. This policy applies to all employees of the Borough while on the job and to situations where employee's off-the-job or off-premises conduct impairs work performance, undermines the public confidence in, or harms the reputation of, the Borough. The Police Department, due to the nature of the services it provides, has an additional drug and alcohol policy which it must follow.
- C. Although the Borough does not wish to intrude into the private lives of its employees, the use or abuse of alcohol or other drugs off the job may adversely affect job performance. The Borough's concern is to assure that employees report to work in condition to perform their duties safely and efficiently in the interest of their fellow workers and taxpayers, as well as themselves.

15.2 Goal.

It is the goal of the Borough to provide a safe work place by eliminating the hazards to health and job safety created by alcohol and other drug abuse. The Borough believes this goal to be in the best interest of its employees and the taxpayers of the Borough.

15.3 Definitions.

- A. The term *illegal drug* means a drug or controlled substance, the possession or use of which is unlawful, pursuant to federal, state and local laws and regulations.

- B. The term *controlled substance abuse* includes prescription drugs not being used by the person for whom they were prescribed, for prescribed purpose, and/or in the prescribed manner.

15.4 Sanctions.

The Borough will not tolerate the manufacture, distribution, dispensation, sale, use, possession or transfer of alcohol or other intoxicants, illegal drugs or other controlled substances; or offers to buy or sell such substances on Borough property, while on Borough business, or at any time during working hours. Any of these actions will subject an employee to disciplinary action, up to and including termination.

15.5 Employee Responsibilities.

Every employee has the responsibility to:

- A. Report to work at all times free of alcohol or other intoxicants, illegal drugs or other controlled substances and their effects;
- B. Seek assistance for alcohol and substance abuse related problems through the Borough-sponsored Employee Assistance Program or other approved program before job performance is affected; and
- C. Support the Borough's efforts to eliminate alcohol and substance abuse among employees where it exists.

15.6 Drug and Alcohol Policy.

The Borough recognizes that the unlawful use of drugs and the abuse of alcohol pose a threat to the health and safety of all employees. Any employee who is observed by a supervisor or Department Head to be impaired, intoxicated or under the influence of alcohol or drugs during working hours or is under reasonable suspicion of same shall be immediately tested and is subject to discipline up to and including termination upon failure of alcohol or drug testing. The supervisor or Department Head will immediately report any reasonable suspicions to the Borough Administrator and document the basis for same at the earliest possible opportunity.

An employee will be required to submit to alcohol, drug or controlled substance testing when the employee's work performance or conduct causes a reasonable suspicion that that employee is impaired due to current intoxication, detoxified drug or controlled substance use; or in cases where employment has been conditioned upon remaining alcohol, drug, or controlled substance free following treatment. Refusal to submit to testing when requested may result in immediate disciplinary action, up to and including termination. Supervisors or Department Heads that observe behavior constituting reasonable suspicion are required to immediately report such reasonable suspicion to the Business Administrator and in conjunction therewith institute testing.

Supervisors and Department Heads do not have the option of sending the employee home as an alternative.

The manufacturing, distribution, dispensation, possession, and use of alcohol, controlled substances, or unlawful drugs on Borough premises or during work hours by employees are strictly prohibited.

Employees must notify their supervisor within five (5) days of conviction for a drug violation in the workplace.

Employees who are required to maintain a commercial driver's license (CDL) are subject to random drug testing as required by federal or other statute and/or regulation.

15.7 Authorized Use of Prescribed Medicine.

Employees using prescription drugs that may affect job performance or safety must notify their supervisor or Department Head. Supervisors and Department Heads receiving such information have a responsibility to maintain the confidentiality of employee medical information. Inappropriate disclosure of such information shall result in disciplinary action, up to and including termination.

Borough personnel who hold a commercial driver's license (CDL) are subject to the provisions of the Commercial Driver's Licenses Drug and Alcohol Testing Policy. (A program to assist employees who may have a drug/alcohol problem is provided through the Borough's Employee Assistance Program.)

No prescription drug should be used by any person other than the individual to whom it is prescribed. Such substances or non-prescription (over-the-counter) drugs should be used only as prescribed or indicated. Employees are prohibited from consuming prescription drugs that are not prescribed in their name on Borough property, while performing Borough business, or at any time during working hours. Soliciting or distributing prescription drugs for or to other employees is also strictly prohibited.

15.8 Testing.

- A. The Borough will test all applicants, whether new employees or re-hires, consistent with and as permitted under State and federal law. The Borough requires that every hired and re-hired employee be free of illegal drug use and controlled substance abuse. Each offer of employment will be conditioned upon the successful completion of the test for illegal drugs and controlled substances as prescribed by the Borough. Any applicant who tests positive in the pre-employment drug test shall be rejected and shall be ineligible for hire for twenty-four (24) months in the case of new employees and twelve (12) months in the case of re-hires, unless the applicant adequately establishes a legal basis for the use of the drug or controlled substance for which the applicant tested positive.

- B. Applicants and employees subject to testing must, prior to testing, sign an approved form agreeing to the testing, authorizing the release of test results to the Borough Administrator and authorizing the disclosure of the results to any other persons the Borough Administrator determines needs to know for the safety and welfare of the other employees and the residents of the Borough.
- C. Whenever the Borough has reasonable suspicion that an employee is under the influence of alcohol or drugs, the following procedure shall immediately be applied:
 - 1. The employee shall be prevented from engaging in further work and shall be instructed to wait until an authorized Borough representative can transport the employee from the work site.
 - 2. The employee shall be transported to a testing facility where a drug and/or alcohol test will be required. If an employee refuses to sign the approved form agreeing to the testing, the individual shall be notified that he or she may be subject to disciplinary action for insubordination, up to and including termination.
- D. The Borough will afford the applicant or employee subject to testing the opportunity, prior to testing, to list all prescription and non-prescription drugs and controlled substances they have used and to explain the circumstances surrounding the uses of such drugs and controlled substances. Failure of any employee to establish adequately a legal basis for the use of any drug or controlled substance with respect to which the employee tests positive shall constitute a violation of this policy and may subject the employee to disciplinary action, up to and including termination.
- E. The Borough's officers, employees, agents and representatives may use the results of any drug tests administered under this section in connection with Borough business and for purposes of employment and disciplinary actions, and disclose it when required to government agencies and to others upon valid legal requests, in connection with legal proceedings and in other appropriate situations to protect the interests of the Borough. In doing so, the Borough will comply with its policies and any applicable federal or state law or regulation regarding the dissemination of employee medical records and information.
- F. The Borough, prior to taking any adverse employment action, will give all employees who test positive the opportunity for a hearing before the Borough Council. Adequate notice shall be given the employee prior to the hearing.
- G. The Borough will establish and maintain any and all additional testing programs and requirements that may be necessary or appropriate to comply with applicable federal and state laws and regulations.

After receipt of a request for a hearing by an employee who tests positive for the use of drugs or controlled substances and upon receipt of the completed investigative report by the Borough Administrator, the Borough Council shall conduct a hearing with notice to the employee as set forth below.
- B. The accused employee shall be notified, in writing, at least ten (10) days prior to the hearing. It is recommended that the accused employee seek legal counsel. The accused employee may request one (1) postponement of the hearing upon receipt of the notice in order to obtain legal counsel at the employee's expense, however, the delay occasioned by such request shall not exceed thirty (30) days from the date of receipt of the notice by the accused employee.
- C. The accused employee shall be entitled to attend the hearing, to testify in his or her own behalf and to be represented by legal counsel at the hearing. The employee shall also have the right to confront and cross-examine witnesses, including, but not limited to the employee who made the allegations.
- D. The accused employee shall be entitled to call witnesses on his or her behalf and to introduce evidence which bears upon the issues presented by the investigative report.
- E. At the conclusion of the hearing, the Borough Council shall have the sole discretion to impose discipline, up to and including termination.

16. LIFE THREATENING ILLNESS.

The Borough encourages employees with contagious diseases or life-threatening illnesses such as cancer, heart disease, Hepatitis C and HIV/AIDS to continue their normal pursuits, including work, to the extent allowed by their condition. As in the case of other disabilities, the Borough shall make reasonable accommodations in accordance with legal requirements to allow qualified employees with contagious or life-threatening illnesses to safely perform the essential functions of their jobs.

Medical information shall be treated confidentially. The Borough will take reasonable precautions to protect such information from inappropriate disclosure. Managers and other employees have a responsibility to maintain the confidentiality of employee medical information. Anyone inappropriately disclosing such information shall be subject to disciplinary action, up to and including termination.

- Medical information may be disclosed upon the prior written informed consent of the person who is the subject of the information.
- Information may be disclosed without the prior written consent to qualified individuals for the purpose of conducting management audits, financial audits and program

evaluations, but these individuals shall not identify, either directly or indirectly, the person who is the subject of the record in a report or evaluation, or otherwise disclose the person's identity in any manner. Information shall not be released to these individuals unless it is vital to the audit or evaluation.

- Information may be disclosed to the Department of Health as required by State or federal law.

Employees with questions or concerns about contagious or life-threatening illnesses are encouraged to contact the Borough Administrator.

The Borough is committed to the principles of equal opportunity and anti-discrimination and complies with the provisions of Title VII of the Civil Rights Act of 1964, as amended by the Equal Opportunity Act of 1972, the Age Discrimination in Employment Act, as amended by the Older Workers' Benefit Protect Act, the Americans with Disabilities Act, as amended by the Americans with Disabilities Act Amendments Act, the Genetic Information Nondiscrimination Act of 2008, the Equal Pay Act, the New Jersey Law Against Discrimination, as amended by the New Jersey Pregnant Workers' Fairness Act, and all other applicable state, federal, and/or local laws prohibiting discrimination and/or retaliation. It is the policy of the Borough to prohibit discrimination and to promote and afford equal treatment and service to all citizens and to insure equal employment opportunity for all persons, regardless of actual or perceived race, religion, creed, color, national origin, nationality, ancestry, age, sex/gender, gender identity or expression, affectional or sexual orientation, genetic information (including refusal to submit to a genetic test or make genetic test results available), marital or familial status, political affiliation or status, domestic partnership or civil union status, disability (including AIDS or HIV infection), pregnancy (including pregnancy related medical condition), childbirth, breastfeeding, atypical heredity, cellular or blood trait, veteran status, liability for service in the armed forces of the United States or nationality of any individual, and/or any other characteristic protected by law.

- B. The Borough cooperates with all organizations and commissions organized to promote fair employment practices and equal employment opportunity.
- C. Violation of this equal opportunity/anti-discrimination policy will subject employees to disciplinary action, up to and including immediate discharge.
- D. Any person who is a witness to or believes he or she has been a victim of discrimination or other violation of this policy should immediately report it under

the Employee Complaint Procedure set forth in Section 22. Retaliation for making such report is also expressly prohibited by this policy.

- E. The Borough complies with provisions of NJLAD as it is amended by the Allen Equal Pay Act. In Compliance with the Allen Amendment to NJLAD, the Borough does not pay employees at a lower rate because of their race, color, national origin, religion, age, gender, disability, veteran status, or genetic information, creed, sexual orientation, pregnancy, pregnancy related medical condition, childbirth, breastfeeding, gender identity or expression, marital status, domestic partner status, civil union status, ancestry, nationality, atypical hereditary cellular or blood trait in comparison to employees who perform substantially similar work. In compliance with New Jersey law, the Borough will not take adverse employment action, including demotion or termination, against any employee because he or she discussed or disclosed a current or former employee's job title, occupational categories, or rate of compensation. Employees may discuss these issues at will and will not be asked to sign any agreement where the employee is required to keep silent on such disclosures.

18. DISABILITY AND PREGNANCY ACCOMMODATION

The Borough complies with the provisions of the Americans With Disabilities Act of 1990, as amended by the Americans with Disabilities Act (the “ADA”), the ADA Amendments Act and the New Jersey Law Against Discrimination, as amended by the New Jersey Pregnant Workers’ Fairness Act (“NJLAD”). In compliance with the ADA and NJLAD, the Borough does not discriminate based on disability, pregnancy, pregnancy related medical condition, childbirth or breastfeeding. The Borough will endeavor to make every work environment handicapped accessible and all future construction and renovation of facilities will be in accordance with applicable barrier-free federal and state regulations and the ADA Accessibility Guidelines, as well as the ADA Amendments Act.

The Borough will not discriminate against any employee or job applicant with respect to any terms, conditions, or privileges of employment based on known or perceived disability, pregnancy, pregnancy related medical condition, childbirth, or breastfeeding. The Borough will also make reasonable accommodations to known physical or mental limitations of all employees and applicants with disabilities, provided that the individual is otherwise qualified to safely perform the essential functions of the job and provided that the accommodation does not impose undue hardship on the Borough.

An employee or volunteer requiring a reasonable accommodation should contact the Borough Clerk or Assistant Administrator. Any Supervisor or Department Head who receives a request for reasonable accommodation or is on notice of an employee’s need for accommodation under this policy must immediately notify the Borough Clerk or the Assistant Administrator who will in turn notify the Business Administrator. Upon receipt of a request or other notice of a disabled or pregnant employee or prospective employee's need for an accommodation, the Borough Administrator shall engage in an interactive dialogue with the disabled or pregnant employee or prospective employee to identify reasonable accommodations that will not create an undue

hardship for the Borough. Such accommodations might include, but are not limited to, modifications to facilities, equipment and work procedures; the provision of auxiliary aides and/or services; and/or permanent reassignment to vacant positions. Employees who are reassigned to a vacant position shall receive the salary of their new position. In the case of an employee breastfeeding or pumping breast milk, accommodations shall include reasonable break time each day for the employee to breastfeed or pump; and a private room or location, other than a bathroom stall, that is in close proximity to the employee's work area where she may breastfeed or pump.

All decisions with respect to accommodations shall be made by the Borough Administrator or the Borough Council as appropriate.

The ADA and NJLAD do not require the Borough to offer permanent "light duty," eliminate essential job functions, or provide personal use items such as eyeglasses, hearing aids, wheelchairs, etc.

Employees should also offer assistance, to the extent possible, to any member of the public who requests or needs an accommodation when visiting Borough facilities. Any questions concerning proper assistance should be directed to the Borough Clerk or the Assistant Administrator.

19. ANTI-HARASSMENT.

It is the policy of this Borough that all employees are entitled to work in an environment free from all forms of illegal discrimination and harassment, including sexual harassment.

It is the Borough's policy to prohibit harassment of an employee by another employee, management representative, official, supplier, volunteer, or business invitee on the basis of actual or perceived race, religion, creed, color, national origin, nationality, ancestry, age, sex/gender, pregnancy, pregnancy related medical condition, childbirth, or breastfeeding, gender identity or expression, affectional or sexual orientation, genetic information (including refusal to submit to a genetic test or make genetic test results available), marital or familial status, political affiliation or status, domestic partnership or civil union status, disability (including AIDS or HIV infection), atypical heredity, cellular or blood trait, veteran status, liability for service in the armed forces of the United States or nationality of any individual, and/or any other characteristic protected by law.

While it is not always easy to define precisely what harassment is, it includes slurs, epithets, threats, derogatory comments, unwelcome jokes, teasing, and other similar verbal or physical conduct and/or differential treatment based upon a protected characteristic. Harassment includes conduct which has the purpose or effect of unreasonably interfering with a person's work performance; or creates an intimidating, hostile or offensive work environment. Prohibited harassment may occur on Borough property, at any work site, or at any work related function, event, or activity. Any form of electronic harassment or harassment via social media is also prohibited.

Any person who is a witness to or believes he or she has been a victim of harassment or other violation of this policy should immediately report it under the Employee Complaint Procedure set forth in Section 22. Supervisors and managers witnessing or receiving a verbal or written report of harassment shall immediately report it to the Borough Clerk or Assistant Administrator.

Notification by employees to appropriate personnel of any harassment problem is essential to the success of this policy and the Borough generally. The Borough cannot resolve a harassment problem unless it is aware of it. Therefore, it is the responsibility of all employees to bring those kinds of problems to the attention of management so that steps necessary to correct them may be taken as appropriate.

Violation of this harassment policy will subject employees to disciplinary action, up to and including immediate discharge.

20. SEXUAL HARASSMENT.

It is also the Borough's policy to prohibit sexual harassment.

Sexual harassment is defined as any unwelcome sexual advance, request for sexual favors or other verbal or physical conduct including, but not limited to, the use of offensive materials of sexual nature, when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of a person's employment; or
2. Submission to or rejection of such conduct by a person is used as a basis for employment decisions affecting that person; or
3. Such conduct has the purpose or effect of unreasonably interfering with a person's work performance; or
4. Such conduct creates an intimidating, hostile or offensive work environment.

While it is not always easy to define exactly what sexual harassment is, it may include unwanted sexual advances; offering employment benefits in exchange for sexual favors; visual conduct (leering, making sexual gestures, displaying of sexually suggestive objects or pictures, cartoons or posters); verbal sexual advances, propositions or requests; verbal abuse of a sexual nature; graphic verbal commentaries about an individual's body; sexually degrading words used to describe an individual; suggestive or obscene letters, caricatures or representations of persons using electronically or physically altered photos, drawings, or images; notes or invitations; and/or, physical conduct (invasions of personal space, touching, assault, impeding blocking movements, etc.). Sexual harassment may also be differential treatment based upon gender.

Prohibited sexual harassment may occur on Borough property, at any work site, or at any work related function, event, or activity. Similarly, any form of electronic sexual harassment or sexual harassment via social media is prohibited.

Any person who is a witness to or believes he or she has been a victim of sexual harassment or other violation of this policy should immediately report it under the Employee Complaint Procedure set forth in Section 22. Supervisors and managers witnessing or receiving a verbal or written report of harassment shall immediately report it to the Borough Clerk or Assistant Administrator.

Notification by employees to appropriate personnel of any sexual harassment problem is essential to the success of this policy and the Borough generally. The Borough cannot resolve a sexual harassment problem unless it is aware of it. Therefore, it is the responsibility of all employees to bring those kinds of problems to the attention of management so that steps necessary to correct them may be taken as appropriate.

Violation of this sexual harassment policy will subject employees to disciplinary action, up to and including immediate discharge.

21. WHISTLEBLOWER POLICY.

Employees have the right to complain regarding anything they reasonably perceive to be unlawful or unethical. All complaints will be taken seriously and promptly investigated. In accordance with the New Jersey Conscientious Employee Protection Act (“CEPA”), the Borough shall not take any retaliatory action or tolerate any reprisal against an employee because the employee:

- Discloses, or threatens to disclose, to a supervisor or to a public body an activity, policy or practice of the employer or another employer, with whom there is a business relationship, that the employee reasonably believes is in violation of a law, or a rule or regulation issued under the law, or, in the case of an employee who is a licensed or certified health care professional, reasonably believes constitutes improper quality of patient care;
- Provides information to, or testifies before, any public body conducting an investigation, hearing or inquiry into any violation of law, or a rule or regulation issued under the law by the employer or another employer, with whom there is a business relationship, or, in the case of an employee who is a licensed or certified health care professional, provides information to, or testifies before, any public body conducting an investigation, hearing or inquiry into quality of patient care; or
- Provides information involving deception of, or misrepresentation to, any shareholder, investor, client, patient, customer, employee, former employee, retiree or pensioner of the employer or any governmental entity.
- Provides information regarding any perceived criminal or fraudulent activity, policy or practice of deception or misrepresentation which the employee reasonably believes may defraud any shareholder, investor, client, patient, customer, employee, former employee, retiree or pensioner of the employer or any governmental entity.

- Objects to, or refuses to participate in, any activity, policy or practice which the employee reasonably believes:
 - is in violation of a law, or a rule or regulation issued under the law or, if the employee is a licensed or certified health care professional, constitutes improper quality of patient care;
 - is fraudulent or criminal; or
 - is incompatible with a clear mandate of public policy concerning the public health, safety or welfare or protection of the environment. N.J.S.A. 34:19-3.

The protection against retaliation, when a disclosure is made to a public body, does not apply unless the employee has brought the activity, policy or practice to the attention of a supervisor of the employee by written notice and given the employer a reasonable opportunity to correct the activity, policy or practice. Such notice should be directed to the Business Administrator. However, disclosure is not required where the employee reasonably believes that the activity, policy or practice is known to one or more supervisors of the employer or where the employee fears physical harm as a result of the disclosure, provided that the situation is emergency in nature.

If an employee is witness to or believes that he/she has experienced retaliation, they should immediately report it under the Employee Complaint Procedure set forth in Section 22. Any supervisor or Department Head receiving such report shall immediately report it to the Business Administrator. Retaliation for making such report is also expressly prohibited by this policy.

Violation of this policy will subject employees to disciplinary action, up to and including immediate discharge.

Employees shall receive annual notification of their rights under CEPA.

22. EMPLOYEE COMPLAINTS; INVESTIGATIONS; AND HEARINGS.

Employees should report harassment, including sexual harassment, discrimination, violation of the whistleblower policy, denial of or interference with FMLA, NJLFA, and/or NJSAFE rights, or any other actions which they reasonably believe to be discriminatory, harassing, retaliatory, unlawful or unethical. Employee reports of harassment, including sexual harassment, discrimination, violation of the Borough's whistleblower policy, denial of or interference with FMLA, NJLFA, and/or NJSAFE rights or any other actions which they perceive as discriminatory, harassing, retaliatory, unlawful or unethical shall be governed by the following procedures rather than the Grievance Procedures set forth in Section 13.

22.1 Procedure for Filing a Complaint.

- A. Any employee who believes that another employee, supervisor, member of management, or official is engaging in harassment, including sexual harassment,

or discrimination, or that the Borough's whistle blower policy has been violated should file a report as soon as practicable after the event. All reports shall be filed with the employee's immediate supervisor, the Department Head, the Borough Administrator, the Assistant Administrator, or the Borough Clerk. No person filing a report or complaint under this policy or who legitimately assists another in the prosecution of any such report or complaint shall be subjected to retribution or retaliation of any kind for doing so. Verbal and/or written reports or complaints received by the Borough Clerk, Assistant Administrator, a supervisor, or Department Head shall be immediately referred to the Borough Administrator.

- B. Reports and complaints filed under this policy shall be promptly and thoroughly investigated by a designee of the Borough Administrator.
- C. Within fifteen (15) days after the receipt of the report or complaint the designee shall complete the investigation, prepare a comprehensive investigative report addressing all allegations and objectively documenting all relevant factual findings of the investigation, and deliver the investigative report to the Borough Administrator. The time requirement may be extended by the Borough Administrator in writing, upon request of the investigator and for good cause shown.
- D. If the Borough Administrator is alleged to be a party to the harassment, discrimination or violation of the Borough's whistleblower policy, then the complainant or the supervisor or Department Head of the complainant shall proceed directly to the Borough Council with the complaint.

22.2 Hearing.

- A. Upon receipt of the completed investigative report, the Borough Administrator or the Borough Council, as the case may be, shall conduct an administrative hearing.
- B.
