PLANNING BOARD MEETING SCHEDULE

Planning Board meetings are typically scheduled for the first four Thursdays of every month and commence at 7:30 pm. As needed, the first three Thursdays of each month are usually* "Work/Committee Meetings" which are open to the public, but not necessarily public input (at the Chair's discretion). The fourth Thursday of each month is usually the "Public Meeting", open to public participation (when appropriate), at which Subdivision and Site Plan applications are normally heard and the Board's regular business is conducted. Formal action on applications, master plan amendments and/or ordinance reviews, may be taken at any properly advertised and noticed Public or Work/Committee meeting.

See "Upcoming Meetings" and "View All Meeting Dates" on the Borough webpage for the entire 2019 Planning Board schedule of meetings. Site Plan and Subdivision applications and checklists are available for downloading from the Borough website.
