To the residents of Bernardsville:

In connection with a review of the Master Plan for Bernardsville, we are pleased to announce a new initiative to revitalize our downtown. A subcommittee has been formed to determine the goals and priorities of town residents for improvement of the downtown, and to determine a plan to move forward.

Many people feel that the downtown is underperforming in a number of ways and is in need of improvement to realize the full potential of Bernardsville's home values and vibrancy. We want to be inclusive: we need your input and welcome your thoughts on how we can best improve the downtown. Please log onto the website <https://www.surveymonkey.com/r/Bernardsville> and answer the questions posed in the survey. The survey will be open from January 1, 2018 until March 1, 2018.

If you wish to make comments about the survey or ask any questions, please use the following website address: [https://www.surveymonkey.com/r/Bernardsville\\_feedback](https://www.surveymonkey.com/r/Bernardsville_feedback).
