During the Coronavirus Health Emergency, Planning Board meetings are being held with participants at remote locations, connected by conferencing software provided by zoom.us. Members of the public are invited to attend and participate in live meetings either by using the Zoom client, which allows audio and video participation, or by phoning into a meeting for audio only participation.

TO JOIN A LIVE MEETING: Members of the public, council members, and other participants use the same procedure:

1. If you are joining from a smartphone or tablet, install the Zoom app using the App Store and join **meeting number 560 191 9633**. **A password is not required to join the meeting.**
2. If you are joining from a desktop or laptop computer with a web browser, open <https://zoom.us/j/5601919633>
3. If you are joining by phone, the phone-in number from the New York metro area is 1-**646-876-9923**.

In the alternative, if you cannot join the live meeting remotely for any reason you may contact Frank Mottola the Planning and Zoning Boards Administrative Officer at 908-636-7635 or via email at fmottola@bernardsvilleboro.org.

Attendees are admitted to meetings via the Zoom waiting room and microphones are muted until enabled by the host. Members of the public may participate in meetings at certain designated times as announced by the Board Chair. Members of the public will be allowed to address applicants and their experts, ask questions and/or make comments as appropriate once recognized to do so. Attendees may request to be heard by 'raising a hand', either physically or virtually, or by sending a chat message to the host using the Zoom client controls. Phone-in attendees can also 'raise a hand' by using *9 on their phone. Disruptive or inappropriate behavior by any meeting attendee may result in the audio and/or video muting of that attendee and/or their removal from the virtual online meeting room.

TIPS: Controls appear at the bottom of the Zoom window. Open MEETING PARTICPANTS and CHAT. You can use these controls to attract attention, ask a question, or send a text message to other participants.
